

SKYSCRAPER

Window Cleaning

**The Property Manager's
First Choice for
Window Cleaning and
Exterior Building
Maintenance Services**

About Skyscraper Window Cleaning

We provide reliable, high-quality commercial window washing and exterior building maintenance throughout the greater Seattle area, including the Bellevue and Redmond communities. Our clients include high-rise, mid-rise & low-rise:

- Condos
- Apartment buildings
- Office buildings

Our team is dedicated to making every customer experience their best; we serve the communities we live in.

Why Property Managers Choose Us

Single Point of Contact

We do more than wash windows. Managers count on us for:

- Dryer vent cleaning (zero time needed inside units)
- Pressure washing
- Roof and gutter cleaning
- Help with rope access for hard to reach places

Trusted Partnership

Decrease Liability

- Our technicians are professionally trained and insured
- Our services require less time from the on-site manager
- We offer 24/7 support

Save Time

- Managers write fewer checks
- Managers send fewer notifications to owners/tenants
- Automated subscription service

"We're the clear choice."

People Love Our Eco-Friendly Cleaning

Our living environment needs to be protected from harmful chemicals, which is why we use toxin-free cleaning supplies and purified water to deliver high-quality results.

Client Testimonials:

Wonderful experience and a fantastic job! Windows have never looked better. The crew was professional and attentive to details. Owner even stopped by to evaluate progress. We always ask the best from those who take on jobs for us and Skyscraper didn't disappoint. Highly recommend their services!

- A & J Hedin, Google Review

Kiril and his team did a remarkable job at our facility. We were in a bind, needing to get a challenging window project completed in a very short amount of time using specialized equipment. Skyscraper came through and exceeded all of our expectations.

- Darin Morino, Google Review
